LAUNDRY ROOMS PAYMENT METHODS UPGRADE

AUGUST 3 & 5 2021

NO COINS • REFILLABLE CARD • NEW APP

WHAT'S GOING ON?

To increase security, we're removing money from the laundry rooms. The change will take place in the first week of August, one laundry room at a time. This will make each laundry room unusable for 6-8 hours.

Please plan ahead!

WHAT IF I DON'T USE A PHONE?

For those who don't have a smartphone or prefer not to pay with a phone, we're adding a new payment method: a refillable card that you can recharge at a kiosk in the laundry room.

These special cards will be available through Marge upon request.

Please note there's a cost to replace lost cards.

WHAT ABOUT THE APP?

AFTER the change, the current app **PayRange** won't work and will be replaced by our partner's own app **Wash-Connect**. We encourage you to use your funds before the change.

For refunds on the old app and instructions to download the new one, please refer to posters in the laundry rooms.

NEW DATES!
